Motions and Explanations

1 Annual Report 2015

Approval of the Annual Report, including the Annual Financial Statements and the Group Consolidated Financial Statements for the year 2015

The Board of Directors proposes approval.

2 Consultative vote on the Compensation Report for the year 2015

The Board of Directors proposes to the Annual General Meeting (AGM) to endorse the Compensation Report 2015. This vote is consultative.

Explanation

In line with the recommendations of the Swiss Code of Best Practice for Corporate Governance, the Board of Directors has decided to submit the Compensation Report 2015 to shareholders for a consultative vote. The Compensation Report includes the content required by law and furthermore describes the compensation system and its application in the business year.

3 Discharge of the members of the Board of Directors and the Executive Committee

The Board of Directors proposes that discharge be granted to the members of the Board of Directors and the Executive Committee.

4 Reduction of share capital by cancellation of repurchased shares

The Board of Directors proposes:

(A) As a consequence of the 367,500 shares acquired with reference to the authorization of the AGM of April 24, 2012, within the scope of repurchase programs on the second trading line in 2014 and 2015, to reduce the share capital of the Company from currently CHF 9,294,564.90 by CHF 36,750.00 to CHF 9,257,814.90, divided into 92,578,149 registered shares with a par value of CHF 0.10 each, and the subsequent cancellation of the 367,500 repurchased shares;

(B) To declare, as a result of the audit report prepared in accordance with article 732 paragraph 2 of the Swiss Code of Obligations, that the claims by the creditors are fully covered notwithstanding the above reduction of share capital;

(C) To amend article 4 paragraph 1 of the Articles of Incorporation of Syngenta AG in accordance with the capital reduction as follows (amendments underlined):

“The share capital of the Company is CHF 9,257,814.90, fully paid-in and divided into 92,578,149 registered shares. Each share has a par value of CHF 0.10”.

Explanation

The AGM of April 24, 2012, authorized the Board of Directors to repurchase shares up to 10% of the share capital with the purpose of reduction of the share capital. The buy-back started in July 2013. In a first tranche, Syngenta repurchased in 2013 167,000 shares on a second trading line; these shares were already cancelled upon decision of the AGM of April 29, 2014. In 2014, a second and last tranche of 136,000 shares was repurchased; the second trading line was closed on October 15, 2015.

On September 3, 2015, Syngenta announced a significant return of capital to shareholders: with reference to the 2012 AGM authorization, the Company announced its intention to repurchase shares in the amount of more than \$2 billion within the scope of a further repurchase program. For this purpose, a new second trading line was opened on October 16, 2015; the share buy-backs started on October 16, 2015, and will end on December 29, 2017, at the latest. Between October 16, 2015, and November 13, 2015, Syngenta repurchased 231,500 shares in total on the newly opened second trading line.

The Board of Directors proposes to cancel these shares in the total amount of 367,500, repurchased in 2014 and 2015 for the purpose of capital reduction, and to reduce the share capital of the Company accordingly.

The external auditor KPMG AG determines in an audit report prepared for the AGM that the claims by creditors are fully covered notwithstanding the reduction of share capital pursuant to this agenda item.

The reduction of share capital can only be accomplished after threefold publication of the notice to creditors (article 733 of the Swiss Code of Obligations) which will be published after the AGM in the Swiss Commercial Gazette.

5 Appropriation of the available earnings as per Balance Sheet 2015 and dividend decisions

The Board of Directors proposes to appropriate the available earnings 2015 as follows:

Balance brought forward	CHF	3,185,852,852
Net profit of the year 2015	CHF	1,232,526,103
Available earnings	CHF	<u>4,418,378,955</u>
Proposed dividend (agenda item 5.1)	CHF	-1,018,359,639
Proposed special dividend (agenda item 5.2)	CHF	<u>-462,890,745</u>
Balance to be carried forward	CHF	<u>2,937,128,571</u>

5.1 Resolution on the ordinary dividend

The Board of Directors proposes the payment, out of the net profit of the year 2015, of an ordinary dividend of CHF 11.00 per share for the business year 2015.

Explanation

The Board of Directors proposes to the AGM an ordinary gross dividend of CHF 11.00 per share for the business year 2015. No dividend will be paid either on the 367,500 repurchased shares, which are assigned to cancellation in accordance with the resolutions proposed under agenda item 4, or on all Treasury Shares held by Syngenta AG and its subsidiaries. The dividend will be paid as a net amount after deduction of any taxes and fees that may be due.

The final amount to be appropriated for dividend payment will be determined on April 27, 2016, by the number of shares with dividend rights and will be adjusted accordingly.

Subject to the approval of the dividend by the AGM, the dividend will be paid on May 2, 2016, to those shareholders holding Syngenta shares on April 27, 2016, at close of trading. The dividend will be paid as of June 24, 2016, to those holders of American Depositary Shares (ADSs) holding ADSs on April 26, 2016, at close of trading.

5.2 Resolution on a special dividend (conditional resolution)

In connection with the public tender offer by ChemChina, the Board of Directors proposes to the AGM to appropriate a special dividend as follows: payment of a dividend of CHF 5.00 per share.

The payment of the proposed dividend is subject to the condition precedent that the public tender offer by ChemChina becomes unconditional, respectively that all offer terms in view of the execution of the offer in relation to the shares tendered during the (main) offer period have been fulfilled, or that their fulfillment has been waived.

The special dividend will be paid immediately prior to the first settlement of the tender offer. The Board of Directors of the Company will determine and announce the date of the entitlement to receive the dividend and of its payment.

Explanation

In the event that the public tender offer by ChemChina comes into effect, Syngenta has agreed in the Transaction Agreement with ChemChina a special dividend of CHF 5.00 per share. For this reason, the resolution on the special dividend is conditional. Furthermore, the parties have agreed in the Transaction Agreement that the payment of the proposed special dividend – like that of the ordinary dividend – will lead to no modification of the public tender offer price of ChemChina of \$465.00 per share. The Board of Directors of the Company will determine the cut-off date for the dividend entitlement as well as the date of the dividend payment, which will take place immediately prior to the closing of the tender offer. The special dividend will be paid as a net amount, after deduction of any taxes and fees that may be due.

6 Elections to the Board of Directors

The Board of Directors proposes the re-election of its members Vinita Bali, Stefan Borgas, Gunnar Brock, Michel Demaré, Eleni Gabre-Madhin, David Lawrence, Eveline Saupper and Jürg Witmer for a term of one year each.

Explanation

Under article 20 paragraph 1 of the Articles of Incorporation, the members of the Board of Directors must be elected annually; re-election is possible. Furthermore, article 20 paragraph 2 of the Articles of Incorporation stipulates that the members of the Board of Directors shall automatically retire after the lapse of the 12th year of office or, if earlier, after the expiry of the 70th year of age.

Therefore, Jacques Vincent, non-executive member of the Board of Directors, will be retiring from his Board functions at this year's AGM for having reached the statutory age limit.

Michel Demaré was elected to the Board of Directors of Syngenta in 2012 and has acted as its Chairman since the 2013 AGM.

8 Elections to the Compensation Committee

The Board of Directors proposes the re-election of Eveline Saupper and Jürg Witmer as members of the Compensation Committee and the election of Stefan Borgas as a new member of the Compensation Committee for a one-year term of office each.

Explanation

Pursuant to article 17 al. b) of the Articles of Incorporation, the members of the Compensation Committee have to be elected by the AGM. The term of office is one year; re-election is possible. Eveline Saupper and Jürg Witmer are proposed for re-election. Stefan Borgas is proposed to be newly elected to the Compensation Committee, as successor for Jacques Vincent, who will be retiring from the Board of Directors at this year's AGM for having reached the statutory age limit. Subject to his re-election by the AGM, Jürg Witmer will remain Chairman of the Compensation Committee.

The Board of Directors proposes the re-election of Eveline Saupper as a member of the Compensation Committee.

8.2 Re-election of Jürg Witmer

The Board of Directors proposes the re-election of Jürg Witmer as a member of the Compensation Committee.

8.3 Election of Stefan Borgas

9 Maximum total compensation of the Board of Directors

The Board of Directors proposes the approval of a maximum total compensation amount of no more than CHF 4.5 million for the members of the Board of Directors for the period from the 2016 AGM to the 2017 AGM.

Explanation

The proposed figure covers the unchanged base fee and applicable committee fees for Board members as well as estimated Company-paid social security contributions. Board members may elect to receive up to 100 percent of their fees in shares. Actual Company-paid social security contributions may differ and will be paid in accordance with applicable legislation.

For the period from the 2015 AGM to the 2016 AGM, the total compensation for the Board of Directors was CHF 4.22 million, which is within the maximum amount approved by the shareholders (CHF 4.5 million). Further details are available in the 2015 Compensation Report.

10 Maximum total compensation of the Executive Committee

The Board of Directors proposes the approval of a maximum total compensation amount of no more than CHF 41 million for the members of the Executive Committee for the period from January 1, 2016, through December 31, 2016.

Explanation

The proposed figure covers base salary, maximum variable compensation and other compensation including benefits in kind, pension and estimated Company-paid social security contributions. Payouts and grants under the variable compensation plans will be made after the end of the 2016 financial year.

Approval of the maximum value of the variable compensation provides incentive for Executive Committee members to deliver outstanding Company performance by allowing them to be compensated for exceeding performance targets. However, short-term incentive payouts between zero and 200 percent of target and long-term incentive award values between zero and 150 percent of target are possible.

For equity awards, the value included in the table hereinafter is the maximum value at grant. The value of equity awards at grant will be determined with reference to the market price of a Syngenta share on the date of grant in accordance with accepted valuation methods. The eventual value of the awards will depend firstly on the number of awards that vest subject to the applicable performance conditions, and secondly on the development of the Syngenta share price, and may therefore be higher or lower than the value at grant.

The table shows an indication of what the total compensation for the members of the Executive Committee would be under two scenarios: (1) the maximum total compensation possible, which is the amount submitted for approval, and (2) the target compensation amount. The table also shows the target and actual total compensation figures for 2015. The actual distribution of total compensation for 2016 may differ from these amounts, but will not exceed the maximum total compensation amount. "Other compensation" includes the estimated Company-paid social security contributions. Actual Company-paid social security contributions will be paid in accordance with applicable legislation and may differ depending on final variable compensation payouts.

Further details are available in the 2015 Compensation Report.

	(CHF in millions)		Total	Mix (Indicative for Maximum and Target)		
				Fixed compensation in cash	Variable compensation (cash and equity)	Other compensation
2016 (9 members)	41.0 (Maximum submitted for approval)	Maximum*	41.0	7.5	29.2	4.3
		Target	28.2	7.5	17.2	3.5
2015 (9 members)	41.0 (Maximum approved)	Actual**	27.6	7.4	13.8	6.4
		Target	27.5	7.3	16.6	3.6

Notes:

* The maximum includes an indicative annual compensation amount for the permanent CEO position, which is currently vacant.

** Michael Mack, former CEO, stepped down from his functions at Syngenta in October 2015. The actual figures for 2015 include his compensation for the period worked in 2015 and all contractual compensation otherwise due during his notice period (this figure is included in "Other compensation"). Michael Mack did not receive a severance payment. John Ramsay stepped in as interim CEO from November 2015 and the actual compensation includes his compensation for this position for the 2015 part year.

11 Election of the Independent Proxy

The Board of Directors proposes to elect Prof. Dr. Lukas Handschin as Independent Proxy for the 2017 AGM.

Explanation

Article 17 al. b) of the Articles of Incorporation states that the Independent Proxy has to be elected by the AGM. The term of office is one year; re-election is possible.
